

PROFESSIONAL CONCERT PERCUSSION

DESIGNED BY CHAMPIONS

System Blue Concert Percussion has been crafted by experts to achieve the finest sound, greatest durability, and sharpest look in the marching world. From our marimba and xylophone, to our polished aluminum vibraphone and steel pedal glockenspiel, System Blue Professional Concert Percussion provides unmatched resonance, projection, and tone. Our concert bass drums, toms, and snare drum are crafted from the finest birch, creating the perfect tone to enhance any front ensemble.

Whether you are on the marching field, gym floor, or concert stage, System Blue Professional Concert Percussion is the right choice.

PROFESSIONAL CONCERT PERCUSSION

PROFESSIONAL MARIMBA & XYLOPHONE

- Synthetic extrusion-molded fiberglass composite keys produce a warm resonant sound with strong projection both indoors and outdoors
- Marimba available in 4.5 and 4.3 octave
Xylophone available in 3.5 octave
- Protective finish minimizes scratches and blemishes, and enhances the natural look of the bars
- Black gold powder coated resonator finish protects against scratches and dings
- Lower notes on extended range marimba feature adjustable, tunable resonators to accommodate changes in temperature and humidity. Design allows for easy transport, loading and unloading

PROFESSIONAL CONCERT PERCUSSION

PROFESSIONAL **CHAMPIONSHIP SERIES**

System Blue Professional Concert Percussion has everything your performers need. Designed by champions and played by champions, this series includes world-class marimbas, vibraphones, xylophones, pedal glockenspiel, concert bells, concert bass drums, concert toms, a concert snare drum, drum set and hardware. All the instruments have a sleek, matched look and balanced sound allowing your program to perform at its very best.

PROFESSIONAL **CONCERT DRUM SET**

- 5-piece lacquered professional kit
- 6-ply birch shells
- 1.5mm triple flange steel hoops on the toms allow for maximum resonance and are both classy and durable
- Double braced hardware including snare, boom and hi-hat stands with throne and bass pedal. Cymbals are not included
- Suspended mount for toms
- Heavy duty die-cast chrome hoops on snare drum
- Available in several different colors
- Drum Set Dimensions:
 - 14" x 5.5" snare
 - 10" x 8" tom with 12 lugs
 - 12" x 9" tom with 12 lugs
 - 16" x 16" floor tom with 12 lugs
 - 22" x 16" bass drum with 16 lugs

PROFESSIONAL **CONCERT SNARE DRUM & CONCERT TOMS**

- Heavy duty die-cast chrome hoops on concert snare drum
- 1.5mm triple flange steel hoops on the toms allow for maximum resonance
- 6-ply birch shells
- Articulate, rich sound
- Dark brown piano lacquer finish is both classy and durable

PROFESSIONAL **CONCERT BELLS**

- Steel bars provide a brilliant and resonant sound
- 2.5 octave
- Leather-wrapped case for durability and a professional look. During performances, the case functions as a resonator
- Bars are attached firmly to minimize bouncing during performances. They are stable and sturdy during transport.
